

Valeo Thermal Commercial Vehicles Finland OY („Valeo TCV “) GENERAL DELIVERY TERMS

1. General / Scope

1.1 These general delivery terms (“Terms”) apply with exclusive effect to all deliveries of goods and services rendered by Valeo TCV (“Deliveries”). General business terms and conditions which are to the disadvantage of Valeo TCV and which are conflicting with or deviating from, contradicting and/or supplementing these Terms shall be excluded and may only be recognized if and to the extent that Valeo TCV expressly agrees to them in writing. This shall also apply if Valeo TCV has not expressly objected to the validity of such conflicting or deviating conditions or has carried out Deliveries without reservation.

1.2 These Conditions are solely applicable to and binding for business transactions with entrepreneurs, with legal entities governed by public law and with special trusts under public law (“Customer”).

1.3 In the course of an ongoing business relationship these Terms shall also apply to all future transactions concerning Deliveries between Valeo TCV and the Customer.

1.4 In case that the Customer is an agent of or for Valeo TCV or conducts commercial activities for or on behalf of Valeo TCV (“Agent”), the Agent shall be bound by the additional provisions in Annex A hereto, in addition to these Terms.

1.5 In case that the Customer provides services to Valeo TCV or otherwise cooperates with Valeo TCV in any manner in providing services to other customers of Valeo (“Service Partner”), the Service Partner shall be bound by the additional provisions in Annex B hereto, in addition to these Terms.

2. Conclusion of the Contract

2.1 Any offers from Valeo TCV are subject to change without notice and only serve the purpose of initiating contractual negotiations, unless expressly stated otherwise by Valeo TCV. The same applies to amendments and additions to a contract or an individual transaction such as an order.

2.2 Orders are binding for the Customer. Valeo TCV may accept an order from the Customer within two (2) weeks after its submission unless the Customer specifies a longer acceptance period.

2.3 Deliveries from Valeo TCV are made on the basis of the written order confirmation by Valeo TCV. The written form requirement is deemed to be complied with if communications are made by telefax, electronic data transmission (e.g., EDI), SAP purchase order or as pdf document sent by email. Valeo TCV also remains entitled to effectuate the conclusion of a contract by carrying out Deliveries without reservation.

2.4 The content of the order confirmation from Valeo TCV itself as well as the technical or functional specifications or other documents referenced therein, shall become content of the contract, together with these Terms. In case of discrepancies between these Terms and the terms specified in the order confirmation, the latter shall prevail and have priority over these Terms.

2.5 Drawings, illustrations, measurements, weights and other performances are only binding if this is expressly agreed upon in writing by the parties.

3. Scope of Deliveries, Services, Work Results

3.1 The Deliveries owed by Valeo TCV are conclusively stipulated and specified in the order confirmation of Valeo TCV including any associated attachments and referenced documents. Valeo TCV is entitled to make changes to the Deliveries in the form of technical improvements, insofar as these are reasonably acceptable to the Customer.

3.2 If the design or execution of a Delivery has to be changed after conclusion of the contract for reasons within the Customer’s sphere of responsibility, Valeo TCV reserves the right to claim any additional costs caused by this.

3.3 Unless expressly agreed otherwise, Valeo TCV reserves all rights to plans, drawings, technical documents, and software which Valeo TCV has made available to the Customer. Unless otherwise agreed in writing, the copyright to all documents, reports, software, and information created by Valeo TCV shall remain with Valeo TCV.

3.4 If the Deliveries also include software, the contract grants the Customer the non-exclusive and non-transferable right to use the software for the agreed purpose and for the sole use with the respective Deliveries. Furthermore, the Customer shall not be entitled to make copies, upgrade or otherwise extend the software, nor is it allowed to disassemble, decompile, decrypt or reverse engineer the software without Valeo TCV’s prior written consent. If the Customer violates any of these provisions, Valeo TCV may, in addition to any other rights it may have, revoke the right to use the software with immediate effect.

3.5 If the Deliveries have been rendered using know-how, inventions, patents, copyrights or other intellectual property rights whose owner or rightful user is Valeo TCV, the Customer shall only be granted rights of use to the extent necessary to achieve the purpose of the contract.

All other rights of use and exploitation shall remain with Valeo TCV. Neither may the Customer use Valeo TCV’s brands or trademarks without its prior written consent.

3.6 In addition, all rights and legal claims in any work result, including reports, drawings, photographs, data and specifications, whether on paper, storage medium or in any other form, software programs, derivative works, discoveries, designs, inventions, patents, know-how or improvements (“Work Result”), designed, created or developed by or for Valeo TCV in the performance of any contract, are the exclusive property of Valeo TCV. If the Work Result is based on plans, drawings, technical documents, and software to which the Customer holds a right, the Customer and Valeo TCV shall consult about granting a right of use in this respect. Upon the Customer’s request, Valeo TCV shall further grant the Customer a non-exclusive, non-transferable licence for reasonable royalties to use the Work Results for the Customer’s internal business purposes.

3.7 Make and model of any packaging for the Deliveries shall be in the sole election of Valeo TCV. Packaging material may only be returned if the parties have an express agreement in this respect. Until the return of the packaging, the Customer is liable for accidental loss or deterioration of the packaging. The same applies for any reusable packaging.

3.8 Protective devices as well as manuals for installation, assembly, operation or similar documents are only supplied if this has been agreed or if applicable law should so require.

4. Prices and Payment Conditions

4.1 Unless agreed otherwise, the prices of Valeo TCV are "ex works" (EXW in accordance with Incoterms® 2020) plus any applicable value added tax and plus costs for packaging, unless otherwise agreed. In case of Deliveries to foreign countries, all taxes, customs duties and tariffs and other public charges to be paid by Valeo TCV abroad shall be refunded by the Customer, unless expressly agreed otherwise. Unless otherwise agreed, Valeo TCV abides by the offered prices within 30 days from the date of the respective offer. The prices which are quoted in the price list as amended from time to time shall be decisive.

4.2 Unless otherwise agreed, invoices of Valeo Finland have to be paid in advance. Without any further demand for payment the Buyer is in default of payment.

Payments to Valeo TCV shall be made without deduction of cash discount. Valeo TCV accepts payments by bank transfer. All bank charges and expenses shall be borne by the Customer. The date on which the payment amount is credited to Valeo TCV's account shall determine the timeliness of the Customer's payment.

4.3 In the event of default, Valeo will charge interest at a rate of 9 percentage points above the respective base interest rate. Further claims and rights of Valeo TCV based on the Customer's default in payment remain unaffected. In the case where Valeo TCV accepts any bills of exchange, Valeo TCV will only accept them on account of performance. Even if it accepted bills of exchange, Valeo TCV reserves its right to return them and demand immediate payment or other securities in case there is a risk that they do not provide sufficient security.

4.4 If, after conclusion of a contract, Valeo TCV becomes aware of circumstances which indicate the Customer's inability to pay or other significant deterioration of the Customer's financial situation, and if Valeo TCV's payment claim is thereby jeopardised, Valeo TCV is entitled to refuse the respective Deliveries under the contract or is entitled to execute deliveries exclusively against immediate full or partial payment or against the provision of a security. Valeo TCV's right to refuse performance shall lapse if the Customer makes the due payments or provides security in the amount of Valeo TCV's jeopardised payment claim. If the Customer fails to make the due payments or provide adequate security within a reasonable period of time, Valeo TCV may, irrespective of any other rights it may have, rescind the contract, thereby excluding any claims for compensation on the part of the Customer. In case of insolvency or the Customer's inability to pay, Valeo TCV is entitled to rescind all contracts. The Customer is only entitled to a set-off in cases where the Customer's claims are undisputed or legally confirmed.

4.5 The Customer may only offset (i) undisputed claims, (ii) finally adjudicated claims or (iii) synallagmatic claims

under one and the same contractual relationship. The same applies to the assertion of rights of retention by the Customer.

4.6 By granting a SEPA Debit Mandate, Valeo TCV shall be authorised to collect due payments by using the SEPA Direct Debit Scheme. For the pre-notification of the Direct Debit Scheme a deadline shall apply which depends on the individually agreed payment terms with the Customer. Pre-notification shall be given by delivery of the balance list.

4.7 Small invoice fee of 50€ for orders below 1000€ is in effect.

5. Execution of Deliveries

5.1 Deliveries will be made EXW (pursuant to Incoterms® 2020) Valeo TCV's site, unless expressly agreed otherwise.

5.2 Valeo TCV is entitled to partial performance, to the extent reasonably acceptable to the Customer. The same applies to premature performance.

5.3 Delivery periods and delivery dates are only binding if this has been expressly agreed with the Customer in writing. Compliance with the agreed deadlines requires the prior clarification of all technical and commercial questions, the availability of required permits and documents as well as the Customer's compliance with the duties and obligations applicable to the Customer by this time. If these conditions are not fulfilled in time or if the Customer adds further requests, the respective dates shall be postponed accordingly, unless Valeo TCV is responsible for the delay.

5.4 In cases of force majeure, the contractual obligations of the parties shall be suspended, and the agreed dates shall be postponed accordingly for the duration of the event of force majeure. Force majeure includes, in particular, such unforeseeable impediments to performance or disruptions which are beyond a party's sphere of influence, which could not have been averted or remedied even by applying the diligence of a prudent businessman and which are not only of short duration. Force majeure shall include in particular, but without limitation, epidemics or pandemics, military mobilization, war or conflict, civil war, acts of terrorism, riots, political unrest, revolution, sabotage, material operational disruptions, failure or breakdown of utilities such as water, energy, of transport or common carriers, accidents, labor disputes, late or incorrect delivery of necessary raw materials, semi-finished or finished products, market failure, actions or omissions by authorities, governmental or supranational bodies, boycott or embargoes, unforeseeable transport impediments, fire, earthquake, volcanic activity, explosion or natural disasters. If an event of force majeure exceeds a duration of three (3) months, either party may terminate or rescind the affected contract.

5.5 The performance obligations of Valeo TCV are subject to the condition that Valeo TCV itself is supplied in a due and timely manner by its suppliers. Delivery dates are considered to be observed if, prior to expiration of the delivery term, goods have left the factory.

5.6 If Valeo TCV defaults on Deliveries, after the expiration of an adequate grace period of at least two weeks, the Customer's claims for damages and reimbursement of expenses due to the default shall be limited to 0.5% of the affected net contract value for each full week of the default, but not exceeding a total of 5% of the affected net contract value. This limitation shall not apply in the event

of intent or gross negligence or injury to life, limb or health. Valeo TCV's delayed Deliveries shall only entitle the Customer to rescind the contract in accordance with the statutory provisions as far as Valeo TCV has culpably caused such delay.

5.7 Customer shall arrange for immediate pickup of Deliveries notified as ready for dispatch. Otherwise, Valeo TCV may store such Deliveries, at its sole discretion, at the expense and risk of the Customer. In this case, Customer shall bear any risk for the deterioration or accidental destruction of these Deliveries, unless Valeo is liable due to its willful misconduct or gross negligence. The same applies if Deliveries are put in Valeo TCV's interim storage upon Customer's request and without charge. Valeo TCV may cancel an order and charge its incurred costs if the Customer fails to pick up a Delivery within 30 days from the date of notification that the Delivery is ready for dispatch.

6. Transfer of Risk, Retention of Title

6.1 Unless otherwise agreed, the risk of accidental loss and accidental deterioration of the items in a Delivery shall pass to the Customer upon Valeo TCV having made the items available for collection at the agreed place of delivery and having informed the Customer thereof, but in no event after the items have left the Valeo TCV's site.

6.2 Valeo TCV retains title to all Deliveries until complete and irrevocable payment by the Customer of (i) all outstanding claims or (ii) the balance of all claims (in case of continuous netting of claims) from the business relationship.

6.3 If Valeo TCV's ownership expires due to combination, commingling or processing, the Customer transfers to Valeo TCV upon signing of the respective delivery contract all claims for return against third parties as well as his or her rights of (co-)ownership with regard to the manufactured goods. The Buyer shall keep Valeo TCV's ownership in safe custody with professional diligence.

6.4 The Customer is not entitled to pledge goods subject to the above retention of title to a third party nor to assign them as security. The Customer may resell goods subject to the retention of title, only in the course of his or her regular business, if the Customer arranges with his or her customers for a reservation of title. The Customer hereby already assigns to Valeo TCV by way of security to the full extent all claims resulting from the resale or any other legal reason with regard to the goods subject to the retention of title. Also after the assignment, the Customer is, subject to revocation, entitled to collect the claim himself or herself. Valeo TCV will only revoke this entitlement if the Customer does not fulfil his or her payment obligations.

6.5 If third parties have access to the goods subject to retention of title, the Customer will point out that these goods are in the ownership of Valeo TCV and inform Valeo TCV immediately. The Customer shall pay for costs and damages incurred in connection thereof.

6.6 If the Customer acts contrary to the terms of the agreement, in particular in the event of a suspension of payment or an application for opening of insolvency proceedings, Valeo TCV is entitled to take back the goods subject to retention of title or mark them and, for these purposes, to enter the Customer's premises.

6.7 If the value of the securities exceeds Valeo TCV's claims by more than 20%, Valeo TCV shall, upon the Customer's request, release collateral of Valeo TCV's choice.

7. Defects

7.1 The Deliveries shall be free from material defects at the time of transfer of risk and free from defects of title at the time of transfer of ownership to the Customer. The Deliveries are in accordance with the contract insofar as they correspond to the contractually agreed specifications; the specifications of the Deliveries are comprehensively laid down in the contract with the Customer.

7.2 The Customer shall be responsible for examining the Deliveries with regard to their suitability for the intended purpose as well as for the given conditions of use. Agreements on quality shall remain unaffected.

7.3 The Customer shall inspect the Deliveries immediately upon their delivery within the ordinary course of business. Defects which can be detected through this inspection shall be notified immediately; hidden defects shall be notified immediately upon their respective discovery, in any case within the limitation period. Any notification of defects in quality or quantity must be made in writing by the Customer. After an acceptance of the Delivery has been made (which can be agreed to be made, as an exception), the notification of defects that can be detected during such acceptance shall be excluded. In all other respects, the requirements and consequences of a delayed notice of defects shall be subject to the statutory provisions.

7.4 In the event of complaints about the Deliveries, the Customer shall immediately give Valeo TCV the opportunity to inspect the affected Deliveries and shall carry out all necessary joint actions for this purpose. In the event of unjustified notices of defects, Valeo TCV reserves the right to charge the Customer with the costs caused thereby.

7.5 Valeo TCV shall, at its sole discretion, provide supplementary performance either by replacement delivery of defective parts free of charge or by remedy of defects. Disassembly and installation costs are not deemed supplementary performance costs, unless the installation or disassembly of the Delivery is part of the Deliveries owed by Valeo TCV. Valeo TCV may refuse supplementary performance if both alternatives of supplementary performance involve disproportionate costs. If the supplementary performance or substitute delivery fails twice for reasons the Customer is not responsible, the Customer may either reduce the purchase price proportionately or rescind the contract subject to the requirements of the legal provisions. Upon request, the Customer shall advise Valeo TCV within a reasonable period of time whether it opts to rescind the contract or insists on performance. Statutory self-remedy rights remain unaffected.

7.7 For defects of title, the following complimentary provisions apply:

7.7.1 Rights or claims of third parties based on industrial or other intellectual property shall only constitute a defect of title if they exist in the country of Valeo TCV's general place of business in accordance with the customary national requirements, including the requirements of the EU patent ("IP Rights").

7.7.2 The Customer must inform Valeo TCV immediately and in writing of all claims asserted against the Customer which involve the infringement of IP Rights of third parties.

7.7.3 A defect due to infringement of IP Rights of third parties does not exist, if: (i) the infringement of an IP Right is due to specifications provided by the Customer; (ii) the infringement of an IP right is due to a use of the Deliveries in a manner not foreseeable by Valeo TCV; or (iii) the infringement of an IP Right is due to the fact that Deliveries were subsequently modified or used in connection with products or in other ways for which the Deliveries were not intended.

7.7.4 If a third party asserts justified claims against the Customer due to the infringement of IP Rights, Valeo TCV shall - at its sole discretion - either obtain a right of use for the Delivery, modify it in such a way that IP Rights are not infringed or exchange it. If this fails, the Customer - without prejudice to other rights - is entitled to the statutory rights of rescission or payment reduction.

7.7.5 Claims of the Customer in the case of an infringement of IP Rights are excluded insofar as the Customer is responsible for the infringement. In this case the Customer shall indemnify Valeo TCV against all claims of third parties based on the infringement of IP Rights asserted against Valeo TCV.

7.8 In addition, Section 8 of these Terms shall apply to claims for damages and reimbursement of expenses due to a defect. Any other claims and rights of the Customer against Valeo TCV due to a defect are excluded.

8. Limitation of Liability

8.1 Unless otherwise stipulated in these Terms, Valeo TCV shall not be liable to the Customer for damages and reimbursement of expenses - irrespective of the legal basis. However, the above exclusion of liability does not apply insofar as Valeo TCV is liable for (i) negligently or willfully breaches an essential contractual obligation (cardinal obligation); or

(ii) for intent or gross negligence, (iii) Valeo Finland has given a guarantee. In the following cases, Valeo TCV's liability is limited to typical, foreseeable damages and Valeo TCV is not liable for any collateral damages, consequential damages and loss of profit: iv) In case of a breach of an essential contractual obligation (cardinal obligations), which has not been caused grossly negligently or intentionally; v) In case of a breach of any other duties by employees or any other representatives of Valeo TCV who do not represent an organ of Valeo TCV and are not an executive employee of Valeo Finland; and vi) in case a guarantee has been given, insofar as there has not been given a guarantee as to quality and characteristics of material.

According to the Finish Product Liability law or corresponding statutes under foreign jurisdictions Valeo TCV's liability will remain unaffected for (viii) culpable injury to life, limb or health, (ix) as well as for fraudulent concealment of a defect or (x) a guarantee by Valeo TCV as to quality and characteristics.

8.2 The above provisions do not imply a change in the burden of proof to the disadvantage of the Customer.

8.3 Any liability for damages caused by the Customer - such as for wear and tear - is excluded, unless to the extent they have been caused at least by negligence of Valeo TCV. This applies in particular for wear parts and disposable safety devices, inappropriate or incorrect usage, incorrect storage, non-compliance with installation

and operating instructions, incorrect or careless treatment, inappropriate resources, as well as climatic or any comparable influences. Liability is excluded for defects that have been caused by constructional faults or by the choice of inappropriate material, provided that the Customer has specified the construction or the material against Valeo's advice.

8.4 Insofar as Valeo TCV's liability is excluded or limited in accordance with this Clauses 8.1-8.3, this shall also apply to the corresponding personal liability of Valeo TCV's vicarious agents and other auxiliary persons, legal representatives, and employees.

8.5 For prototypes, test models, pilot constructions and similar components ("Prototypes"), the following additional provisions apply: The specification of Prototypes may deviate from planned development targets and/or components for commercial production. Prototypes may solely be used for development, demonstration, pretesting and similar purposes. Prototypes are strictly prohibited to be used on the road, commercially and/or by the general public, as they have not undergone the legally required steps for obtaining the necessary licensing, certification, registration, technical approval and/or validation (collectively, the "Approval"). If the Customer intends to use or release the Prototypes on the road, commercially and/or to the general public by itself or by third parties, directly or indirectly, it shall be obliged and solely assume any associated liability to obtain any required Approval from the competent regulatory authorities or motor vehicle agencies, prior to any such use or release. Any application for an Approval by the Customer requires Valeo TCV's prior written consent. As far as legally permissible, Valeo shall assume no liability whatsoever (i) if the Prototypes do not fulfil the requirements of a serial-grade component or (ii) if the Customer violates any of the aforesaid provisions. The Customer shall remain solely responsible and liable for operation, use, testing, proper installation and de-installation as well as maintenance and repairs of the Prototypes and shall ensure that only adequately skilled, trained and qualified personnel will be entrusted with such work.

9. Statute of Limitations

9.1 The limitation period for claims and rights due to defects in the Deliveries shall be twelve (12) months. The limitation period commences on the date the Delivery is first built into a vehicle or the date such vehicle obtains its first road traffic certification. It expires, however, at the latest 18 months from the delivery date of the respective Delivery or spare part. Generally, Valeo TCV remedies defects or makes replacement deliveries as a gesture of goodwill and without accepting any legal obligation to do so. Any such remedy or delivery shall not reset the limitation period, unless Valeo TCV has acknowledged a defect.

9.2 For any other claims of the Customer against Valeo TCV, the regular limitation period shall be shortened to two (2) years from the initiation of the statutory limitation period. This shall not apply to claims for damages in the cases specified in Clause 8.1.vi

10. Compliance with Export Control Provisions and Economic Sanctions

10.1 Valeo TCV may withhold the fulfilment of its obligations under a contract with the Customer - thereby excluding any claims the Customer may have against

Valeo TCV - if and to the extent that the fulfilment of the contractual obligations is prohibited or impaired by national or international foreign trade regulations or embargoes and/or other comparable sanctions such as, in particular, economic sanctions, export controls, and other import or export regulations of the European Union ("EU"), its Member States, the United States of America and all other relevant jurisdictions in performance of the respective agreement, including but not limited to the Export Administration Regulations (EAR), the economic sanctions programs administered by the Office of Foreign Assets Control (OFAC), the EU's Regulation (EC) no. 428/2009 (dual-use), as last amended, the Union Customs Code (UCC) and the economic sanctions laws adopted by the EU and its Member States ("Foreign Trade Law") which impede fulfilment.

10.2 If the fulfilment of Valeo TCV's obligations under a contract is impeded due to Foreign Trade Law, any potential deadline for the fulfilment of such obligations shall be extended accordingly. Claims for damages by the Customer against Valeo TCV due to such delays are excluded if and to the extent that Valeo TCV is not responsible for such delays.

10.3 The Customer shall comply with all relevant export control, customs, and Foreign Trade Law regulations. Particularly in connection with Deliveries supplied by Valeo TCV, Customer will not, directly or indirectly, engage in any activities that would violate applicable Foreign Trade Law.

10.4 If the fulfilment of Valeo TCV's obligations under a contract is prohibited or impeded by applicable Foreign Trade Law for a period of three (3) months or longer, Valeo TCV and the Customer are each entitled to terminate the contract with immediate effect or to rescind the contract.

10.5 Customer shall not sell, transfer, supply or otherwise provide, directly or indirectly, any completed vehicles containing Deliveries, or any aftermarket, replacement, or spare parts provided to Customer by Valeo TCV, to parties in or for any of the following countries/territories (including for incorporation into finished vehicles assembled in a third country but destined for one of these countries/territories): Russia, Belarus, Donetsk, Luhansk, Crimea, Cuba, Iran (*subject to EU Blocking Regulations), North Korea, Venezuela or Syria (this list is subject to modifications due to EU and US sanctions and is updated by Valeo regularly).

10.6 In case of any doubt or risk about the final destination of Deliveries, Customer should immediately contact their sales representative at Valeo TCV.

11. Rules and Policies at Valeo TCV

Any stay and works on the premises of Valeo TCV requires that the applicable rules and policies on site shall be complied with.

12. Confidentiality and Documentation

12.1 All information, in particular of a technical, industrial, production-related, business and/or financial nature, which is made accessible or available to the Customer by Valeo TCV, its affiliated companies or representatives, is confidential, insofar as the confidential information (i) is not or does not become generally known without the Customer having violated the confidentiality obligations pursuant to this Clause 12, (ii) was demonstrably not lawfully known to the Customer prior to receipt, and without being bound to confidentiality, (iii) is lawfully

disclosed to the Customer by third parties without being bound to confidentiality, or insofar as Valeo TCV has granted its prior written consent to the disclosure of the confidential information. The confidentiality obligations pursuant to this Clause 12 shall apply regardless of how the respective information has been made accessible, whether orally, in writing or otherwise; the confidentiality obligations pursuant to this Clause 12 shall also apply to designs, drawings, descriptions, specifications, electronic media, software and corresponding documentation, samples and prototypes.

12.2 Confidential information within the meaning of Clause 12.1 may only be used, duplicated, and exploited by the Customer in connection with and for the purposes of the contract concluded with Valeo TCV. Such confidential information may only be made accessible to persons in the Customer's business operations if such involvement in the use of the information is essential for the purposes of the contract with Valeo TCV, and if the persons are bound to confidentiality in a manner comparable to these provisions. The Customer undertakes to take all necessary measures to ensure that confidential information is not made accessible to third parties without Valeo TCV's express prior written consent. At Valeo TCV's request, all confidential information originating from Valeo TCV shall be returned to Valeo TCV or be destroyed immediately and completely.

12.3 Valeo TCV reserves all rights to such information (including copyrights and the right to apply for intellectual property rights such as patents, utility models, etc.), unless expressly agreed otherwise.

12.4 Products manufactured according to documents designed by Valeo TCV, such as drawings, models, Valeo TCV's tools or tools manufactured according to Valeo TCV's tools, may not be used by the Customer nor offered or supplied to third parties. This also applies mutatis mutandis to Valeo TCV's print orders.

12.5 The above confidentiality obligations shall remain upright for a period of five (5) years upon termination or expiry of the contract, regardless of the reason for termination or expiry.

13. Compliance

13.1 The Customer undertakes, within the scope of its business relationship with Valeo TCV, not to engage, actively or passively, directly or indirectly, in any form of bribery, not to offer or grant, promote or accept any advantage, neither in its business operations nor when dealing with governmental officials, which may be in breach of applicable domestic, EU and international anti-corruption or anti-bribery laws, rules or regulations ("Anti-Corruption Laws").

13.2 The Customer undertakes, within the scope of its business relationship with Valeo TCV, not to enter into any agreements or to commit concerted practices with other companies, aiming to or having the effect of a prevention, restriction or distortion of competition under applicable domestic, EU or international antitrust or competition laws, rules or regulations.

13.3 The Customer acknowledges its obligation to comply with the applicable laws governing the general minimum wage and shall ensure that its sub-suppliers and subcontractors are similarly bound thereby. Upon request, the Customer shall provide evidence of compliance with the aforesaid obligation.

13.4 The Customer shall comply with the respective statutory provisions governing the treatment of employees, environmental protection and health and safety at work and to work towards reducing the adverse effects of its activities on human beings and the environment. Furthermore, the Customer shall comply with the principles of the UN Global Compact Initiative relating to the protection of international human rights, the abolition of forced and child labour, the elimination of discrimination in hiring and employing personnel and the responsibility for the environment.

13.5 In the event of a suspected violation of the obligations under Clauses 13.1 through 13.4, the Customer shall investigate any such potential violation without undue delay and inform Valeo TCV of the investigation measures initiated or taken, subject to applicable data protection laws. If the suspicion proves to be reasonably justified, the Customer shall inform Valeo TCV within a reasonable time of the corrective and remedial measures that it has taken or will take internally within its organisation in order to prevent future violations. In this context, the Customer is also solely responsible to ensure that processes and measures of equivalent effectiveness be implemented and adopted by its subcontractors and sub-suppliers, which it uses in the performance of its obligations towards Valeo TCV.

13.6 The Customer shall in particular comply with any applicable rules and regulations set forth in the U.S. Foreign Corrupt Practices Act (FCPA) and the U.K. Bribery Act (UKBA) as well as all other international Anti-Corruption Laws and conventions.

13.7 The Customer shall protect personal data in accordance with the applicable data protection provisions. The Customer takes notice of and accepts the Valeo Data Protection Statement and Privacy Notice, the currently applicable version of which is published under <https://www.valeo.com/en/web-valeo-data-protection-statement-and-privacy-notice>.

13.8 The Customer shall provide for any required organisational structures, instructions and measures, particularly with regard to the following: safety of premises, packaging and transport, business partners, personnel and information in order to guarantee the security in the supply chain according to the requirements of respective internationally accepted initiatives based on the WCO SAFE Framework of Standards.

13.9 The Customer is responsible to ensure and maintain a professional and effective Compliance Management System comparable to ISO 37001.

13.10 In the event of a breach of any of its obligations as set forth in this Clause 14, the Customer shall indemnify Valeo TCV and hold Valeo TCV harmless from and against any and all third-party claims, and shall be obliged to reimburse Valeo TCV for any fines imposed on Valeo TCV and any costs and expenses incurred by Valeo TCV (including reasonable attorney fees) out of or in connection with such breach, unless the Customer is not responsible for such breach.

13.11 In addition to any rights and remedies available to Valeo TCV, if the Customer fails to comply with these obligations or guarantees, Valeo TCV reserves the right to rescind or terminate contracts within a reasonable time at Valeo TCV's sole discretion. However, provided that Customer's breach is capable of remedy, such rights of Valeo TCV are subject to the condition that such breach

has not been cured by the Customer within a reasonable deadline set by Valeo TCV.

14. Miscellaneous

14.1 If one or more provisions of these Terms or parts thereof should be or become invalid or unenforceable, this shall not affect the validity and enforceability of the remaining provisions of these Terms or parts thereof.

14.2 Insofar as these Terms refer to (i) a written form requirement, the text form (letter, fax, e-mail, etc.) is sufficient to observe the written form; (ii) "days", this shall mean calendar days.

14.3 Unless agreed otherwise, the place of performance for all obligations of Valeo TCV and the Customer arising out of the contract, including Valeo TCV's obligation to provide supplementary performance, and the mutual restitution obligations in the event of rescission, shall be the registered office of Valeo TCV which also determines the legal venue.

14.4 Assignments of claims against Valeo TCV are only permissible with Valeo TCV's prior written consent.

14.5 If Valeo TCV does not exercise any of its rights under these Terms, this shall not constitute a waiver of any of its rights under these Terms or a modification of an order.

14.6 The contractual relationship between Valeo TCV and the Customer is subject to the laws of Finland, without regard to principles of conflicts of laws. The application of the UN Convention on Contracts for the International Sale of Goods (CISG) is excluded.

14.7 Any dispute, controversy or claim arising out of or in connection with this contract, or the breach, termination or invalidity thereof, shall be finally settled by arbitration in accordance with the Arbitration Rules of the Arbitration Institute of the Helsinki Chamber of Commerce. The seat of Arbitration shall be Helsinki and the language to be used in the arbitral proceedings shall be English.

Annex A: Additional Provisions for Agents (see Section 1.4 of the Terms)

1. The Agent agrees to respect the Business Partner Code of Conduct, which is currently accessible under <https://www.valeo.com/en/business-partners-code-of-conduct>, and to make it available to all of its personnel conducting activities for or on behalf of Valeo TCV ("Intermediary Personnel"). 2. The Agent agrees to keep full and accurate books and records of all payments made in respect of any transaction or business affected in connection with this agreement, and to make all such books and records available to Valeo TCV's duly authorised representatives as deemed necessary by Valeo TCV to verify Agent's and Intermediary Personnel's compliance with Anti-Corruption Laws and this agreement. 3. The Agent reconfirms annually its compliance following the actual procedures and conducts all mandatory training by Valeo TCV.

Annex B: Additional Provisions for Service Partners (see Section 1.5 of the Terms)

1. The Service Partner agrees to respect the Business Partner Code of Conduct, which is currently accessible under <https://www.valeo.com/en/business-partners-code-of-conduct>, and the Valeo Anti-bribery Third Party handbook, and to make them available to all of its personnel conducting activities for or on behalf of Valeo TCV ("Intermediary Personnel"), to keep full and accurate books and records of all payments made in respect of any transaction or business affected in connection with this agreement, and to make all such books and records available to Valeo TCV's duly authorised representatives as deemed necessary by Valeo TCV to verify Service Partner's and Intermediary Personnel's compliance with Anti-Corruption Laws and this agreement.

2. In particular and without limiting the generality of the foregoing, while performing their obligations under the agreement, the Service Partner, its affiliates, employees, facilitators and Intermediary Personnel shall not directly or indirectly:

- implement any actions treated as giving / taking bribes or committing bribery under the law applicable for the agreement or any actions violating the requirements of the applicable Anti-Corruption Laws and international anti-corruption statements.
- pay, offer to pay or give assent for payment of any amount of cash or things of value to anyone to influence their actions or decisions with the purpose to receive any unjustifiable advantages or to reach any other inappropriate goals.

3. The Service Partner agrees that payments to it by Valeo TCV shall be made

- (i) to it directly, not to third parties;
- (ii) by check or wire transfer only, and that no requests for cash payments shall be accepted; and
- (iii) in the country where the Service Partner or its Intermediary Personnel performed the work for which it is being compensated or in the country of its or its principal place of business.

4. The Service Partner shall not utilise or employ any third party, individual or entity that will, or is likely to, assist Valeo TCV with interactions with government officials, or assign its rights or obligations under this agreement to any other party, without the express prior written approval of Valeo TCV.

5. The Service Partner agrees to obtain the prior written approval of Valeo TCV before incurring any travel, entertainment, or other expenses for, on behalf of, or related to any government official in the performance of this agreement and that it will be reimbursed by Valeo TCV only if such prior written approval is provided by Valeo TCV and Service Partner retains and provides accurate detailed records and supporting documentation for such expenses.

6. The Service Partner agrees that should it or any of its Intermediary Personnel learn of, or suspect, any act or circumstance, whether in connection with performance of this agreement or its other activities, that may constitute improper conduct, or that may violate any of the provisions of this agreement, it will immediately advise its sales representative at Valeo TCV in writing of such knowledge or suspicion.

7. Should the Service Partner breach its obligations, or fail to confirm compliance with the above terms in due course, Valeo TCV will be entitled to not renew or to terminate the agreement in its sole discretion in full or in part by sending a written notification of the termination.
